

# DUNSBOROUGH WASTEWATER

## NOTICE OF PROPOSAL TO CONSTRUCT INFILL SEWERAGE DUNSBOROUGH AREAS 5C AND 9A, PUMPING STATIONS AND PRESSURE MAINS - SHEET 2 OF 2

PLAN  
SCALE ①

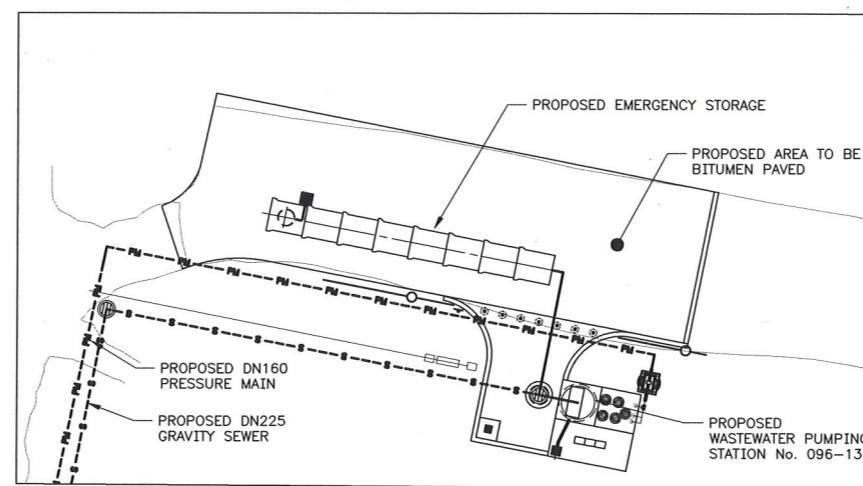

To provide for the disposal of wastewater in Dunsborough the Water Corporation proposes to construct:

- Below ground sewers of up to 225mm diameter and associated Access Chambers
- Two wastewater pumping stations
- Below ground 110mm and 160mm diameter sewer pressure mains

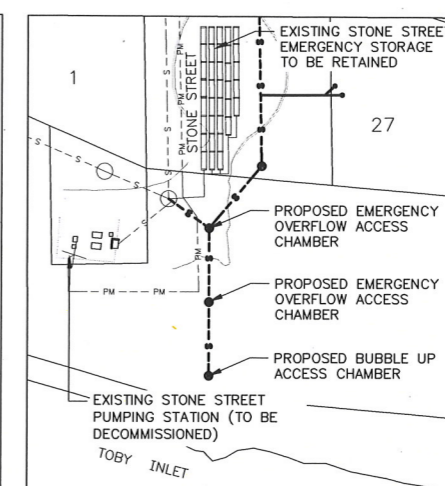

The location of proposed works are shown on the plans.

Further information may be obtained by contacting the Project Manager James Gee on (08) 9420 2961.

Objections to the proposed works will be considered if lodged in writing to the Project Manager at Water Corporation, P.O. Box 100, Leederville 6902, before the close of business 21 calendar days from the date on the attached letter.
