Bay OK Gardening Workshops with Gardening Guru Neville Passmore

At these free community workshops, Neville will share expert tips on soil improvement and plant selection to suit our local conditions. You'll discover how to garden successfully with less fertiliser, water, money and effort, whilst also protecting local waterways and Geographe Bay!

Dunsborough: Friday 22nd June 11.00-2.00pm

Busselton: Saturday 23rd June 11.00-2.00pm

**Find event details and register via the GeoCatch website
www.geocatch.asn.au or phone GeoCatch on 9781 0111**

The Revitalising Geographe Waterways program is supported by the State Government to improve water quality, waterway health and management of Geographe waterways.
